WE LOVE YOUR SKIN

*Do not yield to the everyday grey.
Live life to the full, have fun, go crazy,
get a suntan. A golden-toned suntan
means better self-confidence,
improved mood and healthier
appearance!*

SuperTan is an American brand of professional solarium tanning products, designated for people curious about the world, modern and unstoppable. It offers rich formulas, effectiveness and sensual pleasures, all enveloped in intensely crazy fruit fragrances. Only the SuperTan products will give you the dream suntan shade so quickly and help you to charm everyone! Sun tanning is the best source of vitamin D!

amazing effects

*Tan in a modern way
with the SuperTan cosmetics!*

- ☼ You will tan much faster
- ☼ Your skin will be moisturized and regenerated
- ☼ The fruity fragrance will envelop your skin for many hours
- ☼ You will enjoy your tan for much longer

Tan accelerators

- ☼ Make your tan develop much faster and last longer

Choose a tan accelerator if:

- ☼ You wish to naturally speed up the tanning process
- ☼ Skincare is important for you
- ☼ You are just starting the tanning process, or wish to enhance your tan without using a bronzer
- ☼ You wish to enjoy the tan for longer

Sugary Vanilla

With this irresistibly vanilla scented shimmering accelerator you can really shine like a star. The exclusive combination of aloe vera, hemp oil and cocoa butter delivers a beautiful complexion, brightened with million sparkles.

amazing effects

Frosted Banana

Surrender your skin to the delicious hemp accelerator with joyful banana scent. Deeply moisturizing formula with aloe vera, cocoa butter, safflower oil and Tahitan monoi brings unbelievable softness to your skin.

Lemongrass & Orange

Energize your skin with this extremely fresh and juicy scented accelerator to initiate a deep and long-lasting tan. Precious mix of nourishing oils: orange, lemongrass, nutmeg, thyme and sandalwood leaves your skin enviously soft and smooth.

Sweet Face

Anti-ageing tan accelerator developed especially for delicate skin of the face, provides intense care for the most discerning clients. The exceptional combination of modern ingredients which stimulate the tanning process with moisturizing aloe and regenerating oils guarantees an in-depth moisturization without leaving a greasy film. It has anti-wrinkle properties and makes the epidermis more supple.

Tan accelerators with tattoo protection

- ☼ Stimulate the tanning process while simultaneously protecting the tattoo from fading

They are perfect if:

- ☼ You have tattoos and wish to protect them the best you can
- ☼ You wish to naturally speed up the tanning process
- ☼ You are just starting the tanning process, or wish to enhance your tan without using a bronzer
- ☼ You wish to enjoy the beautiful tan for longer

amazing effects

Sinner

Feel the velvety smoothness of the luxurious **tan accelerator for tattoo lovers**! The exceptionally silky formula, enriched with silicones and light, natural oils intensely moisturizes the skin, while the Color Shield Complex protects the colors of the tattoo against fading. The seductive, sexy fragrance will make you want more!

Bronzers

- Give an attractive golden shade to the tan directly after the tanning

They are perfect if:

- You are looking for an immediate result
- You want your tan to be intensely brown
- You feel your natural tan is not sufficient

Peaches & Coconut Cream

Bring a little paradise to your tanning session with this deliciously coconut scented bronzing accelerator. Your skin gets deeply moisturized due to aloe vera and safflower oil, with undeniably subtle bronze color.

amazing effects

Strawberry & Vanilla

Spectacular bronzer packed with sophisticated tanning accelerators brings your skin an undeniably dark color. Precious ingredients: safflower oil and hemp extract combined with sweet and fruity scent of vanilla and strawberry make your skin scrumptiously dark and sexy.

Choco Raspberry

Get ready to delight your skin with this chocolate bronzer, based on deeply moisturizing complex of cocoa butter, shea butter and coconut oil. The delicate touch of bronzing ingredients makes your skin immediately tanned and gorgeous, with sweet scent of raspberry and chocolate.

Orange & Pineapple

This extra succulent bronzing accelerator reveals a perfect bronze glow and supreme hydration coming from unique blend of DHA, walnut extract and L-Tyrosine. Orange oil provides unbelievable touchable, smooth skin, stunningly scented with pineapples and oranges.

Banana & Caramel

Totally sweet and delicious bronzer with L-Tyrosine and copper peptides that stimulates skin pigmentation and the luxurious safflower oil providing deeper hydration. Makes your senses totally crazy with its amazing banana, coffee and caramel scent.

Strawberry & Maracuya

Reveal a perfect bronze glow with this extraordinary bronzer packed with anti-aging ingredients: collagen, caffeine and vitamins. Seductive blend of DHA, walnut extract, melanin and beta-carotene brings your skin delectable bronze results; while exotic scent of maracuya and strawberry pleasures your senses.

Pineapple & Mango

Intensive tropical bronzer, extremely rich in melanin enhancers: tyrosine, erythulose, copper and beta-carotene, combined with immediately working bronzers. With collagen and shea butter, primed to leave your skin looking seductively tanned and regenerated.
